THANK YOU!

John Van den Bergh,

President.

Kerry Blue Terrier Foundation

P. O. Box 1495

Solvang, CA 93464

Dear John and Board of Directors, KBTF:

Thank you for the generous donation of \$2500.00 [check # 1510] to our research project to determine the genetic marker for thyroiditis and thyroid dysfunction in the Kerry Blue Terrier. So far, we have been able to test thyroid function on 50 Kerry Blue Terriers and to send blood samples for the DNA extraction to Dr. Lorna Kennedy in the United Kingdom.

We look forward to reporting on the results of her genetic analysis.

With very much appreciation,

Jean
